THE CEREMONY

At Villa Frua, every “I do” comes to life in an authentic and romantic context where nature, design, and intimacy blend seamlessly.

Civil or symbolic ceremonies may be celebrated beneath the majestic centuries-old oak tree, surrounded by rose petals and suspended lights, or beside the infinity pool with the Italian Alps as a backdrop.

In case of bad weather, the large first-floor hall with forest-green walls and park views hosts the promise of love without losing elegance or poetry.

After dinner, Villa Frua transforms into a place where the celebration comes to life without sacrificing elegance.

The halls illuminate with new energy: the lights dim, the music rises, and the dance floor comes alive at the heart of the villa, inviting everyone to let go between the couple's first dance and the irresistible rhythms of an '80s classic.

Next to the dance floor, a bar with continuous service accompanies the evening with cocktails and toasts, while the other rooms become themed spaces: lounge areas for intimate breaks, creative photobooths for fun memories, and snack or cigar corners for a touch of refined charm.
